

## **Re: We are (Re) Building Murray Community Park Playground**

Published 10/25/2009 - 11:35 a.m. PDT

Dear Mission Times Courier Readers:

The Lake Murray Playground Project has a simple goal: to design, fund and rebuild the playground at Lake Murray Community Park located at 7001 Murray Park Drive. We need your help! The playground was dedicated in 1989, and after 20 years, it is time to revitalize it. To become involved, learn more about the project and obtain information on donations, fundraising events and volunteer opportunities, please attend the Lake Murray Playground Project Community Meeting on Monday Oct 26, 2009 at 6:30pm at the San Carlos Branch Library. (RSVP appreciated: [info@lakemurrayplaygroundproject.org](mailto:info@lakemurrayplaygroundproject.org)) Also, visit us at
