### **Go Green - Recycle Your Old Gold and Earn Cash for the Holidays**

Gold is at an all time high market price and soared to over \$1000 an ounce recently. There has never been a better time to cash in. Take a look in the bottom of your jewelry box to find those single earrings, broken and dented chains or the class ring you haven't worn in years. Then visit us to see just how much your old gold is worth! We will give you an extra bonus if you trade it in for new jewelry for the holidays, or towards future services such as jewelry and watch repairs, pearl restringing or custom design.

### **November birthstone - Topaz or Citrine**

Topaz occurs in a range of different colors from deep golden yellow to sherry pink and blue. The topaz has been known for at least 2000 years and is one of the gemstones which form the foundations of the twelve gates to the Holy City of the New Jerusalem.

Citrine is beautiful yellow quartz named after the French word "citron" meaning lemon. It is hard and durable with bright color and lively sparkle. It varies from pale yellow to rich golden yellow to dark orange. Citrine is yellow to brown quartz. It varies from pale yellow to rich golden yellow to dark orange.
